

## About Us

### **OUR MISSION**

National Police Support Fund is dedicated to providing a united voice for true Americans who support our nation's law enforcement officers. We strive to engage the public through political grassroots activity to support political interests that promote officer's interests. We're working to defeat anti-police sentiment and bring honor and respect back to the policing profession.

### **OUR VISION**

1. Mobilize the public behind political issues concerning police officers
2. Expose politicians who promote anti-police sentiment for political purposes
3. Organize a grassroots political movement of tens of thousands of citizens to stand up for police officers in the face of growing lawlessness
4. Restore a culture of respect for the American law enforcement community
5. Hold politicians accountable for failing to address policing needs at all levels of government
